ANANAPP COOKIES POLICY

This cookie policy describes what cookies are and how World Dukes, SL uses them ("Ananapp") in our application. We encourage you to read this policy to know what information we collect and how it is processed.

By using our application, you accept the use we make of cookies in accordance with this cookies policy. A cookie is a text file that is stored on your device when you visit a web page and acts as the memory of that page, allowing, among other possibilities, to recognize you in future visits. Below you will find information about cookies:

Cookie	Type / Expiration	Purpose	Holder
JSESSIONID	Session	This cookie is a session identifier provided by the servlet container to differentiate Sessions between users	Own Cookies
__cfduid	Persistent / 5 years	The cookie '__cfduid' is established by the CloudFlare to identify trusted web traffic. It does not correspond to any user id in the web application, nor does it store any personally identifiable data.	CloudFlare

You can refuse the use of cookies by selecting the appropriate settings from your browser. However, if you do, you may not be able to use the application fully and have to re-enter your access data and that the use of the Ananapp application may be limited.
